

SHE REPRESENTATIVE

Description

The SHE Representative appointment is a legal requirement under Section 17 of the Occupational Health and Safety Act (Act 85 of 1993) and thus compulsory for every organization.

This SAQA aligned course (Unit Standards: 259622) is intended for individuals employed by any industry, where the employee may be required to make a work area safe before commencing work or needs to understand what the law requires of them in the workplace with regards to safety and how to work safely by following company precautions, safety standards and safety procedures.

When the learner has completed this course, he will

- Have a greater awareness and understanding of the threat posed by risks & hazards, their personal responsibility in preventing an incident/ accident where they work and, on the procedures to be taken should one occur.
- Be able to conduct a preliminary incident investigation into workplace health, safety and environmental incidents

Duration

The course is held over 6 - 8 hours.

Course Content / Modules Covered

A wide range of subjects is covered including: -

- Introduction to health and safety
- Legislative history
- The Constitution
- Understanding the act and regulations
- Department of Labour/legislation
- Important sections of the Act
- The SHE Rep introduction and functions
- SHE Rep appointments & documentation
- Monthly inspections and documentation
- Incident and accident investigations
- Department of Labour documentation
- Health and safety committee meetings

Certification

Subject to completion of an assignment & assessment, all participants will be issued with a SHE Representative certificate.
